RE: DEMAND FOR CORPORATE RECORDS UNDER NRS § 78.257 – DECEMBER 15, 2025 SPECIAL MEETING MINUTES AND RAW VOTING LEDGERS

To the Board of Directors, Corporate Secretary, and Corporate Counsel:

I am writing to issue a strict, formal demand for corporate records. I am an individual investor who has continuously held shares of Theriva Biologics, Inc. ("TOVX" or the "Company") for over four (4) years. My four-year holding history grants me an absolute statutory right under Nevada Revised Statutes (**NRS § 78.257**) to inspect and copy the books, records, and voting ledgers of the Company.

This demand specifically concerns the corporate minutes, proxy voting ledgers, and administrative actions surrounding the Special Meeting of Stockholders called on **December 15, 2025**, at the Company's office in Rockville, Maryland.

I. Prior In-Person Demand by Paul Bernhardt

The Company is already under a clear obligation to produce these records. During the physical call-to-order of the December 15, 2025 meeting in Maryland, a formal, verbal request for copies of the official meeting minutes and corporate notes was made **in person by shareholder Paul Bernhardt**.

I was physically present at that meeting alongside Mr. Bernhardt when this request was communicated directly to corporate representatives. To date, the Company has completely ignored and failed to fulfill Mr. Bernhardt's in-person request. This ongoing failure to deliver the minutes violates standard corporate transparency and constitutes a direct infringement on shareholder rights under Nevada law.

II. Specific Records Demanded for Immediate Production

Pursuant to my statutory rights under NRS § 78.257, I hereby demand that the Company produce, or deliver digitally via email to **[Your Email Address]**, the following materials within five (5) business days of receiving this letter:

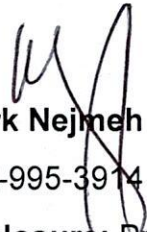

1. **The Official December 15, 2025 Meeting Minutes:** The complete, unedited corporate minutes recorded by the Corporate Secretary for the December 15, 2025 meeting, including all logs of physical shareholder attendance, the exact times of call-to-order, and all documented motions or verbal statements regarding the rescheduling of the session.
2. **The Independent Inspector of Elections Report & Data Ledger:** The complete, raw proxy receipt logs generated by Broadridge Financial Solutions and/or Computershare for the December 15, 2025 session. This must detail the exact number of shares present in person or represented by proxy, and the specific count of **"AGAINST"** and **"AGAINST ADJOURNMENT"** votes submitted electronically by retail investors prior to the meeting's dissolution.
3. **Logs of Telephonic/Verbal Directives by Counsel:** Copies of all internal corporate logs, memos, or written summaries regarding the telephone communications initiated by corporate counsel Leslie Marlow on or around December 15, 2025. This includes records of the calls made to physically present shareholders attempting to prompt verbal agreements to alter or cancel meeting parameters.

III. Purpose of Inspection and Legal Notice

The purpose of this inspection is to investigate potential corporate mismanagement, breach of corporate bylaws, and intentional shareholder disenfranchisement. The company's subsequent actions—including failing to provide the minutes requested by Paul Bernhardt and repeatedly moving subsequent meetings to Spain (February 11 and April 9)—indicate a coordinated effort to obscure true retail voting patterns and bypass valid **"NO"** votes to push through dilutive warrant inducements.

Please be advised that NRS § 78.257 mandates compliance within five (5) business days. My attorney is simultaneously tracking this matter. If the Company fails to deliver these certified materials within the statutory window, we will immediately petition the Nevada District Court for an emergency order to compel production, halt the upcoming June meeting, and hold the Company fully liable for all associated legal fees and court costs.

Sincerely,

Mark Nejme
