**QUESTIONS AND ANSWERS ABOUT
THE PROXY MATERIALS AND THE SPECIAL MEETING**

Who is soliciting my vote?

The Board of Directors of Theriva Biologics, Inc. is soliciting your proxy to be used at the Special Meeting.

When and where will the Special Meeting be held?

The Special Meeting will be held on April 9, 2026, at 3:30 p.m. (local time), at the Company's principal place of business for research and clinical development, located at Carrer Torrent de Can Ninou, naus 5-6, 08150 - Parets del Vallès (Barcelona) Spain.

What do I need to do if I would like to attend the Special Meeting?

If you wish to attend the Special Meeting in person, you must present a valid form of photo identification, such as a driver's license. If you are a beneficial owner of common stock that is held of record by a bank, broker, or other nominee, you will also need proof of ownership to be admitted. In this regard, a recent brokerage statement or a letter from your bank or broker are examples of proof of ownership. The Company reserves the right to prohibit cameras, recording equipment, or electronic devices in the Special Meeting.

What am I voting on at the Special Meeting?

The purpose of the Special Meeting is to vote on the following items described in this Proxy Statement:

Proposal No. 1: To consider and approve the issuance of up to an aggregate of 16,184,560 shares of our common stock upon the exercise of our common stock purchase warrants issued to institutional investors in our private placement offering, which closed on October 17, 2025 (the "**Warrant Exercise Proposal**").

Proposal No. 2: To consider and approve the adjournment of the Special Meeting to a later date, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Warrant Exercise Proposal (the "**Adjournment Proposal**").

Who is entitled to vote?

Stockholders as of the close of business on the record date of February 27, 2026 (the "**Record Date**"), are entitled to vote at the Special Meeting or any postponement or adjournment thereof. As of the Record Date, there were 45,892,668 shares of the Company's common stock, par value \$0.001 per share (the "**Common Stock**"), outstanding.

How many votes per share of Common Stock held are stockholders entitled to?

Stockholders have one vote per share on all matters presented at the Special Meeting.

What is the difference between holding shares of Common Stock as a "stockholder of record" and holding shares in "street name"?

Shares held as a "stockholder of record" (also called a "registered holder") are shares held directly in your name. Shares held in "street name" are shares held for you in an account with a broker, bank, or other nominee.

How do I vote my shares?

If you are a *registered holder*, you may vote:

- **By internet.** Via the Internet at www.proxyvote.com;
- **By telephone.** If you are located within the United States and Canada, call 1-800-690-6903 (toll-free) from a touch-tone telephone;
- **By mail.** By returning a properly executed proxy card in the postage-paid envelope provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or
- **In person.** You may vote in person at the Special Meeting.

To vote online or via telephone, you will need your unique control number. You can find the control number on your proxy card. Be sure to have your proxy card in hand and follow the instructions. Internet and telephone voting facilities will close at 11:59 p.m. Eastern Time on April 8, 2026, for the voting of shares held by stockholders of record as of the Record Date. Proxy cards with respect to shares held of record must be received no later than April 8, 2026.

If you hold your shares in *street name*, you may vote:

- **By internet***. Via the Internet at www.proxyvote.com. To vote online, you will need your unique control number;
- **By telephone***. If you are located within the United States and Canada, call 1-800-454-8683 (toll-free) from a touch-tone telephone;
- **By mail**. By returning a properly executed voting instruction form by mail, depending upon the method(s) your broker, bank or other nominee makes available; or
- **In person**. To do so, you must request a legal proxy from your broker, bank, or other nominee and present it at the Special Meeting.

**Not all street name holders may be able to vote at the web address and phone number provided above.*

If your shares are held in street name, please check the voting instruction form provided to you by your broker, bank, or other nominee for internet or telephone voting availability. If internet and/or telephone voting is available to a street name holder, such facilities will typically close at 11:59 p.m. Eastern Time on April 8, 2026; however, it may be earlier. To vote online or via telephone, you will need your unique control number. You can find the control number on your voting instruction form. Be sure to have your voting instruction form in hand and follow the instructions.

What if I return a proxy card or otherwise submit a proxy but do not make specific choices?

All shares held by recordholders entitled to vote, represented by a properly executed and unrevoked proxy received in time for the Special Meeting, will be voted in accordance with the instructions given. If you are a stockholder of record and sign, date and return a proxy card but do not indicate how you wish to vote your shares, the appointed proxy named on the proxy card will vote your shares as recommended by the Board.

What are “broker non-votes”?

Banks, brokers, and other agents acting as nominees are permitted to use discretionary voting authority to vote for proposals that are deemed “routine” by the New York Stock Exchange, which means that they can submit a proxy or cast a ballot on behalf of stockholders who do not provide a specific voting instruction. Brokers, banks, or other nominees are not permitted to use discretionary voting authority to vote for proposals that are deemed “non-routine” by the New York Stock Exchange. Under the rules and interpretations of the New York Stock Exchange, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation, and certain corporate governance proposals, even if management supported. We believe that neither of the proposals at the Special Meeting will be treated by the New York Stock Exchange as a routine matter and both will be treated by the New York Stock Exchange as non-routine matters. The determination of which proposals are deemed “routine” versus “non-routine” may not be made by the New York Stock Exchange until after the date on which this proxy statement has been distributed. As such, it is important that you provide voting instructions to your broker, bank, or other nominee as to how to vote your shares, if you wish to ensure that your shares are present and voted at the Special Meeting on all matters.

When there is at least one “routine” matter to be considered at a meeting, a “broker non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the “non-routine” matter being considered and has not received instructions from the beneficial owner. Since neither proposal will be deemed to be a “routine” matter broker non-votes will not occur at the Special Meeting.

What constitutes a quorum?

A quorum for the transaction of business at the Special Meeting requires representation, in person or by proxy, of the holders of one-third of the Company’s voting power of the shares of stock entitled to vote at the meeting. Abstentions will be counted as shares that are present for purposes of determining the presence of a quorum for the transaction of business at the Special Meeting.

What is the voting requirement to approve each of the proposals?

Proposal	Vote Required	Voting Options	Impact of "Abstain" Vote	Impact of Broker Non-Votes
Proposal No. 1: Warrant Exercise Proposal	The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required.	"FOR" "AGAINST" "ABSTAIN"	Counts as a vote "AGAINST" this proposal.	Not applicable-There are not expected to be any.
Proposal No. 2: Adjournment Proposal	The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote on the matter is required.	"FOR" "AGAINST" "ABSTAIN"	Counts as a vote "AGAINST" this proposal.	Not applicable-There are not expected to be any.

How does the Board recommend that I vote?

The Board recommends that you vote your shares:

- **"FOR"** the Warrant Exercise Proposal (Proposal No. 1); and
- **"FOR"** the Adjournment Proposal (Proposal No. 2).

Who will count the vote?

One or more inspectors of election at the Special Meeting will tabulate and certify the votes.

What does it mean if I receive more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, please submit your proxy for each set of proxy materials via the internet, telephone or by signing, dating, and returning the enclosed proxy card and/or voting instruction card in the enclosed envelope.

May I change my vote or revoke my proxy?

Yes. Whether you have voted by internet, telephone or mail, if you are a stockholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of the Company's Secretary at the Company's principal office at 9605 Medical Center Drive, Suite 270, Rockville, Maryland 20850, provided such statement is received no later than 11:59 p.m. Eastern Time on April 8, 2026;
- voting again by internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m. Eastern Time on April 8, 2026;
- submitting a properly signed proxy card to the attention of the Company's Secretary at the Company's principal office at 9605 Medical Center Drive, Suite 270, Rockville, Maryland 20850, with a later date that is received no later than 11:59 p.m. Eastern Time on April 8, 2026; or
- attending and voting at the Special Meeting on April 9, 2026.

Your last vote is the one that is counted. Your attendance at the Special Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote at the Special Meeting.

If you hold shares in street name, please refer to information from your bank, broker, or other intermediary on how to revoke or submit new voting instructions.

Who will pay for the cost of this proxy solicitation?

The Company will pay for the cost of soliciting proxies. Some of the Company's directors, officers, or employees may (for no additional compensation) solicit proxies in person or by telephone, email, or facsimile transmission. Brokers and other nominees will be requested to solicit proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses. In addition, we have retained D.F. King & Co., Inc. to aid in the solicitation of proxies for the Special Meeting. We will pay D.F. King & Co., Inc. fees of not more than \$8,000 plus expense reimbursement for its services. Please contact (800) 859-8509 with any questions you may have regarding our proposals. In addition to the use of the mail, proxies may be solicited by personal interview, telephone, telegram, facsimile and advertisement in periodicals and postings, in each case by our directors, officers and employees without additional compensation.

PROPOSAL NO. 1
THE WARRANT EXERCISE PROPOSAL

We are seeking stockholder approval for the issuance of up to 16,184,560 shares of our Common Stock upon the exercise of common stock purchase warrants that were issued in connection with our private placement offering (the “**Private Placement**”) that closed on October 17, 2025, as contemplated by Section 713(a) of the NYSE American Company Guide and the terms of an inducement agreement.

On October 16, 2025, we entered into a warrant inducement agreement (the “**Inducement Agreement**”) with certain institutional investors (the “**Holders**”) of outstanding warrants to purchase shares of Common Stock issued in a private placement offering that closed on September 27, 2024 (the “**September Warrants**”) and a private placement offering that closed on May 8, 2025 (the “**May Warrants**”) and, together with the September Warrants, collectively, the “**Existing Warrants**”). Pursuant to the Inducement Agreement, the Holders of the Existing Warrants exercised for cash, at a reduced exercise price of \$0.54 per share, September Warrants to purchase an aggregate of up to 1,345,000 shares of Common Stock (the “**September Warrant Shares**”) and May Warrants to purchase an aggregate of up to 6,747,280 shares of Common Stock (the “**May Warrant Shares**”) and, together with the September Warrant Shares, the “**Existing Warrant Shares**”) and, in consideration of the Holders’ immediate exercise of the Existing Warrants in accordance with the Inducement Agreement, we issued unregistered Common Stock Purchase Warrants (the “**New Warrants**”) to purchase an aggregate of up to 16,184,560 shares of Common Stock (200% of the number of Existing Warrant Shares issued upon exercise of the Existing Warrants) (the “**New Warrant Shares**”), at an exercise price of \$0.54, to the Holders of the Existing Warrants. The transactions contemplated by the Inducement Agreement (the “**Warrant Inducement**”) were consummated on October 17, 2025 (the “**Closing Date**”).

The New Warrants are exercisable commencing on the effective date of stockholder approval (the “**Stockholder Approval**”) for the full exercise of the Warrant and issuance of all of the shares of Common Stock issuable upon exercise of the New Warrants (the “**Stockholder Approval Date**”) and expire on the fifth anniversary of the Stockholder Approval Date. If at any time there is no effective registration statement under the Securities Act of 1933, as amended, for the resale of the New Warrant Shares, any holder may, in its sole discretion, elect to exercise New Warrants through a cashless exercise, in which case such holder would receive upon such exercise the net number of shares of Common Stock determined according to the formula set forth in the New Warrant. We also agreed to use our reasonable best efforts to obtain all components of the Stockholder Approval. If we do not obtain all components of the Stockholder Approval at the first meeting of our stockholders called within sixty (60) days following the Closing Date, we are obligated to call a meeting every sixty (60) days thereafter to seek any remaining components of the Stockholder Approval until the earlier of the date on which Stockholder Approval is obtained or the New Warrants are no longer outstanding. A special meeting had been scheduled for December 15, 2025 for the purpose of seeking Stockholder Approval. On December 15, 2025, we called to order such special meeting. At that time, there were not present or represented by proxy a sufficient number of shares of Common Stock to constitute a quorum. As a result, we were not able to convene such special meeting and obtain Stockholder Approval at such time. A second special meeting had been scheduled for February 11, 2026 for the purpose of seeking Stockholder Approval. On February 11, 2026, we called to order such special meeting. At that time, there were not present or represented by proxy a sufficient number of shares of Common Stock to constitute a quorum. As a result, we were not able to convene such special meeting and obtain Stockholder Approval at such time.

The exercise price of the New Warrants, and the number of New Warrant Shares, are subject to adjustment in the event of any stock dividend or split, reverse stock split, recapitalization, reorganization, or similar transaction, as described in the New Warrants. In addition, the New Warrants provide that we may also, at any time during the term of the New Warrants, subject to the prior written consent of the applicable holder, voluntarily reduce the then current exercise price to any amount and for any period of time, subject to the rules and regulations of NYSE American. Accordingly, approval of this proposal is also approval of the issuance of the New Warrant Shares at a lower exercise price than the initial exercise price.

A holder will not have the right to exercise any portion of the New Warrants if the holder (together with its affiliates) would beneficially own in excess of 4.99% (or, upon election of the holder, 9.99%) of the number of shares of our Common Stock outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the New Warrants. However, any holder may increase or decrease such percentage, provided that any increase will not be effective until the 61st day after such election.

In the event of a Fundamental Transaction (as such term is defined in the New Warrant), then the successor entity will succeed to, and be substituted for us, and may exercise every right and power that we may exercise and will assume all of our obligations under the New Warrants with the same effect as if such successor entity had been named in the warrant itself. If holders of Common Stock are given a choice as to the securities, cash, or property to be received in a Fundamental Transaction, then the holder shall be given the same choice as to the consideration it receives upon any exercise of the New Warrants following such Fundamental Transaction. In addition, the successor entity, at the request of holders of New Warrants, will be obligated to purchase any unexercised portion of the New Warrants in accordance with the terms thereof. Notwithstanding the foregoing, in the event of a Fundamental Transaction, the holders of the New Warrants have the right to require us or a successor entity to redeem the New Warrants for cash in the amount of the Black Scholes Value (as defined in the New Warrant) of the unexercised portion of the New Warrants concurrently with or within 30 days following the consummation of a Fundamental Transaction. However, in the event of a Fundamental Transaction which is not in our control, including a Fundamental Transaction not approved by our Board, the holders of the New Warrants will only be entitled to receive from us or our successor entity, as of the date of consummation of such Fundamental Transaction, the same type or form of consideration (and in the same proportion), at the Black-Scholes Value of the unexercised portion of the New Warrant that is being offered and paid to the holders of Common Stock in connection with the Fundamental Transaction, whether that consideration is in the form of cash, stock or any combination of cash, and stock, or whether the holders of our Common Stock are given the choice to receive alternative forms of consideration in connection with the Fundamental Transaction.

We agreed in the Inducement Agreement to file a registration statement to register the resale of the New Warrant Shares (the “**Resale Registration Statement**”) as soon as practicable (and in any event within 30 calendar days following the date of the Inducement Agreement), and to use commercially reasonable efforts to have such Resale Registration Statement declared effective by the Securities and Exchange Commission (the “**Commission**”) within 60 days following the date of the Inducement Agreement (or 90 days following the date of the Inducement Agreement in the event of a “limited review” or “full review” by the Commission), provided, however, that if the Commission is closed for operations due to a government shutdown, the applicable deadline for the Resale Registration Statement becoming effective shall be extended by the same amount of days that the Commission remains closed for operations, and to keep the Resale Registration Statement effective at all times until no holder of the New Warrants owns any New Warrants or New Warrant Shares. We filed a registration statement on Form S-3 registering the New Warrant Shares for resale on November 7, 2025, which registration statement was declared effective on December 2, 2025.

Pursuant to the Inducement Agreement, we also agreed, with certain limited exceptions, for 45 days following the Closing Date, not to issue any shares of Common Stock or Common Stock Equivalents (as defined in the New Warrants) or to file any registration statement or prospectus, subject to certain exceptions. We also agreed not to enter into a Variable Rate Transaction (as defined in the Inducement Agreement) for a period of 90 days following the Closing Date, provided however that sales pursuant to an at-the-market are permitted to be made beginning five (5) days after Closing Date.

A.G.P./Alliance Global Partners LP (“**AGP**”) served as our exclusive financial advisor in connection with the Warrant Exercise and other transactions described in the Inducement Agreement. Pursuant to the terms of an engagement letter, dated October 16, 2025, by and between us and AGP (the “**Engagement Letter**”), we paid to AGP a cash fee equal to 7.0% of the aggregate gross proceeds received from the Holders upon exercise of the Existing Warrants and reimbursed certain expenses.

Reasons for the Warrant Exercise Proposal

Our Common Stock is listed on NYSE American and trades under the ticker symbol “TOVX.” Section 713(a) of the NYSE American Company Guide requires stockholder approval of transactions other than public offerings of greater than 20% of the outstanding Common Stock or voting power of an issuer prior to a private placement for less than the applicable Minimum Price. Under NYSE American Company Guide, the “**Minimum Price**” means a price that is the lower of: (i) the closing price immediately preceding the signing of the binding agreement; or (ii) the average closing price of the Common Stock for the five trading days immediately preceding the signing of the binding agreement. The closing price of our Common Stock on NYSE American on October 15, 2025, the trading date immediately preceding the signing of the Inducement Agreement, was \$0.84 per share and the average closing price of our Common Stock for the five trading days immediately preceding the signing of the Inducement Agreement was \$0.44. In order to comply with Section 713(a) of the NYSE American Company Guide, and in compliance with the terms of the Inducement Agreement, the New Warrants are not exercisable until Stockholder Approval is obtained.

We are seeking stockholder approval for the issuance of up to an aggregate of 16,184,560 shares of our Common Stock upon the exercise of the New Warrants. Stockholder approval of this Warrant Exercise Proposal is one of the conditions for us to receive up to approximately \$8.7 million in gross proceeds upon the exercise of the 16,184,560 New Warrants, if exercised for cash. Loss of these potential funds could adversely impact our ability to fund our operations.

The Board is not seeking the approval of our stockholders to authorize our entry into or consummation of the Warrant Inducement, as the Warrant Inducement has already been completed. We are only asking for approval to issue up to an aggregate of 16,184,560 New Warrant Shares upon exercise of the New Warrants.

Potential Consequences if Proposal No. 1 is Not Approved

The failure of our stockholders to approve this Proposal No. 1 will mean that: (i) we cannot permit the exercise of the New Warrants and (ii) will incur substantial additional costs and expenses because we are required to hold additional stockholder meetings until the earlier of the date on which Stockholder Approval is obtained or the New Warrants are no longer outstanding.

Each New Warrant has an initial exercise price of \$0.54 per share. Accordingly, if this proposal is not approved we would not be able to realize the gross proceeds from the exercise of the New Warrants. If all the New Warrants were exercised for cash we would realize an aggregate of up to approximately \$8.7 million in gross proceeds. However, if we were to lower the exercise price of the New Warrants we will receive less proceeds.

Potential Adverse Effects of the Approval of Proposal No. 1

If this Proposal No. 1 is approved, existing stockholders will suffer dilution in their ownership interests in the future upon the issuance of the New Warrant Shares upon exercise of the New Warrants. Assuming the full exercise of the New Warrants, an aggregate of 16,184,560 additional shares of Common Stock will be outstanding, and the ownership interest of our existing stockholders would be correspondingly reduced. In addition, the sale into the public market of these shares also could materially and adversely affect the market price of our Common Stock.

Required Vote

The affirmative vote from the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the Warrant Exercise Proposal at the Special Meeting is required for approval of this proposal. Abstentions will have the same effect as votes AGAINST this proposal. Broker non-votes are not expected for this proposal.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT
YOU VOTE "FOR" THE WARRANT EXERCISE PROPOSAL**

**PROPOSAL NO. 2
THE ADJOURNMENT PROPOSAL**

Background of and Rationale for the Adjournment Proposal

The Board of Directors believes that if at the Special Meeting, the number of votes represented by shares of our Common Stock, present or represented and voting in favor of the Warrant Exercise Proposal, is insufficient to approve the Warrant Exercise Proposal, it is in the best interests of the stockholders to enable the Board to continue to seek to obtain a sufficient number of additional votes to approve the Warrant Exercise Proposal.

In the Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning or postponing the Special Meeting or any adjournment or postponement thereof. If our stockholders approve this proposal, we could adjourn or postpone the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of the Warrant Exercise Proposal.

Additionally, approval of the Adjournment Proposal could mean that, in the event we receive proxies indicating that holders of a majority of the number of shares present in person or represented by proxy at the Special Meeting will vote against the Warrant Exercise Proposal, we could adjourn or postpone the Special Meeting without a vote on the Warrant Exercise Proposal and use the additional time to solicit the holders of those shares to change their vote in favor of the Warrant Exercise Proposal.

Vote Required

The affirmative vote from the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the Adjournment Proposal at the Special Meeting is required for approval of this proposal. Abstentions will have the same effect as a vote AGAINST this proposal. Broker non-votes are not expected for this proposal.

HOUSEHOLDING

The Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements, annual reports, and notices of internet availability of proxy materials with respect to two or more stockholders sharing the same address by delivering a single copy of the applicable document(s) addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

Brokers with account holders who are stockholders of the Company may be “householding” our proxy materials. A single proxy statement or notice may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you notify your broker or the Company that you no longer wish to participate in “householding.”

Street-name stockholder who are currently receiving househanded materials may revoke their consent, and street-name shareholders who are not currently receiving househanded materials may request householding of our future materials, by contacting Broadridge Financial Services, Inc., either by calling toll free at (866) 540-7095 or by writing to Broadridge Household Department, 51 Mercedes Way, Edgewood, New York 11717. If you revoke your consent you will be removed from the “householding” program within 30 days of Broadridge’s receipt of your revocation, and each stockholder at your address will receive individual copies of our future materials.
